IMPORTANT ACCOUNT INFORMATION

Effective June 26, 2020, we are changing the "Disclosures of your Rights and Obligations" section of the Consumer Electronic Funds Transfer Disclosure Statement found in your Virtual Wallet Fine Print "What You Need To Know" ("Agreement"). Specifically, starting June 26, 2020, the below provision will apply to both PIN and non-PIN unauthorized transactions. All other information in your Agreement continues to apply to your account. Please read this information and keep it with your records.

THE FOLLOWING PROVISION WILL BE EFFECTIVE STARTING JUNE 26, 2020:

Consumer Electronic Funds Transfer Disclosure Statement

Disclosures of your rights and obligations

Consumers' Liability for Unauthorized Transactions

Contact information for reporting lost or stolen cards is provided at the end of this statement.

Tell us AT ONCE if you believe your card and/or Personal Identification Number ("PIN") has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your checking or savings accounts to which you have access, plus your maximum overdraft line of credit or the balance in any other account connected to your account for overdraft protection. If you tell us promptly after you learn of the loss or theft of your card or an unauthorized transaction, you will not incur any loss or liability if someone used your card or made a transfer without your permission. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from making the transfer if you had told us in time.

- If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.
- Our business days include every day except Saturday, Sunday and a federal holiday.
- If you believe your card or PIN has been lost or stolen or that someone has transferred or may transfer money from your checking or savings account without your permission, call the phone number or write to the address shown at the end of this disclosure statement.

How to notify us in case of errors or questions about your Electronic Transfers

For PIN and Non-PIN transactions, ATM transactions and/or banking machine disputes and electronic check
